#	IN YOUR OWN WORDS, WHAT IS THE ONE THING YOU LIKE ABOUT THE PRODUCT? HOW CAN WE IMPROVE THE PRODUCT?	DATE
1	An acquired taste but surpringsingly good.	11/15/2018 11:05 PM
2	I found the health benefits of Kombucha interesting. It reminds me of apple cider with floral flavors. What I would suggest is maybe to have a bottled blended sangria option so that the people would have a better idea how it would taste if you combine it with other drinks.	11/15/2018 9:48 PM
3	I liked the unique flavors, and the health benefits they come with. The fact that the flavors would depend on the seasonal fruits can be considered both positively and negatively.	11/15/2018 9:26 PM
4	Unique flavor combinations. Aromatic and refreshing. Very good.	11/15/2018 8:14 PM
5	Kombucha has recently been gaining popularity, but so far, their concoction has been the best representation of the drink.	11/15/2018 8:09 PM

10	Although a bit sour for me, I think this has a future in the market. The blueberry lychee has lots of potential	11/15/2018 7:47 PM
11	I had no knowledge about kombucha coming into this, and the lady manning the booth answered all my questions and educated me about kombucha, which I really appreciated. I might not be a hardcore kombucha fan but now I understand much more about it.	11/15/2018 7:30 PM
12	I really like it. I was surprised how easy to drink it was and the health benefits that came with it	11/15/2018 7:14 PM
